Sometimes, it is a lot easier to save our customers time with an instructional video rather than a possibly confusing manual that can easily be damaged or lost. This is why we provide our customers with an easy way to access our instructional and demonstrational videos.
If the QR code above isn't working for you, please attempt the following.

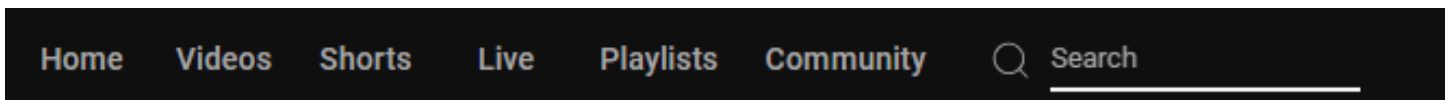

STEP 1.

Navigate to [YouTube.com/RedlineStands](https://www.youtube.com/RedlineStands) OR you can search RedlineStands on YouTube.
Make sure you subscribe for any important product updates and info!

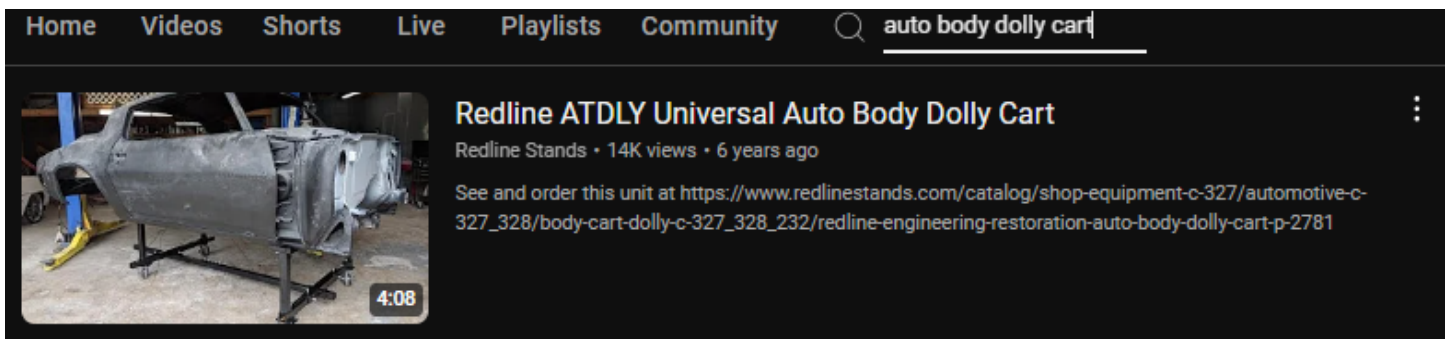

STEP 2.

Once you're on our YouTube Page, you'll navigate to the Search bar pictured below.

STEP 3.

Simply search "auto body dolly cart" and click on the video shown below.

YOU'RE ALL SET!
